

Our Purpose

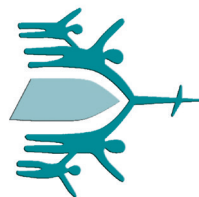

Knollwood Baptist Church Preschool offers a program designed to meet the needs of each child—mentally, socially, emotionally, physically, and spiritually. We try to create an environment where learning can happen when the child is ready and at his/her own rate; thus, much of teaching occurs on an individual and small-group basis.

Curriculum

We feel fortunate to offer young children an excellent teaching staff. The space we provide allows for the development of large and small motor activities. We seek to help each child achieve creative learning experiences at his/her own level.

Our five-year-old readiness class offers reading, mathematics, and language materials similar to those used in public school but has the advantage of a shorter day with more personal attention.

Entrance Requirements

To be eligible for our preschool, a child must be of the age of the class in which he/she wishes to enroll on or before August 31. For example, a child wishing to attend the two-year-old class must be two years old on or before August 31.
