Dear Knollwood Family,

Knollwood had an amazing year in 2017! After successfully funding two major capital campaigns, we are now ahead of schedule on payments for our new Wellness and Community Center, a project that came in under budget and has far exceeded our expectations. In addition, we have expanded and deepened our welcome to all, given ten percent to mission partners locally and abroad, all while growing and enhancing existing ministries for which Knollwood is known.

It is awe-inspiring to see how God has used your generosity to do great things in our community and world. Thank you.

As a reminder, this year we are moving our annual stewardship campaign from the spring back to the fall. It seems having the campaign in the spring has been confusing and frustrating to many. We are confident, however, that moving back to a fall giving campaign this year will pave the way to more successful stewardship for 2019 and beyond. We are grateful for your feedback and patience.

In lieu of a spring campaign, and anticipating our fall campaign later this year, we would like to ask you for a one-time gift to our general operating budget. Accounting for all general giving last year, we ended up \$47,000 short of our budgeted expenses for 2017—a trend we want to avoid in 2018.

If you haven't given to Knollwood previously, would you consider a one-time gift of \$100, \$250, or \$500 to help us meet this need?

If you are already giving to Knollwood, we appreciate your faithfulness. Would you consider giving an extra one-time gift to help us meet this need?

Please use the enclosed offering envelope or give online by visiting [knollwood.org/give](http://knollwood.org/give).

Whatever the size of your gift, thank you for all the ways your faithfulness, service, and generosity keep God's kingdom-work at Knollwood thriving.

In gratitude,

Mickey Boles, Chair  
Stewardship Committee

Gayle Anderson, Vice-Chair,  
Stewardship Committee
